A SMART door lock providing fun and convenience with its melody function and status-indicating LEDs

SMART Doorlock

SHS-D600

My child is very excited every time the door lock sounds because of the melody she made by herself

My Melody

You can make your own door-opening melody

Available to enter your melody by touching a number key
※ the note is written in manual

I wish that the door lock could be easily used by both my parents and our children

Informing battery discharge

Trespassing or fire Warning

Informing it's on double locking mode

User-friendly UI

Shows the current status of the door access whenever you are in and out with intuitive LED icon

Touch

You don't need to open and close the cover, or worry about wearing of the numbers

Lighting

Sensuous blue backlighting for dark hallways and entry/exit at night
